For more than three decades, FamilyLife has been helping couples understand God's design for relationships. Now, in this fresh new video guided event, couples have the opportunity to look at their relationship in a whole new way. Weaving instruction from respected pastors and Bible teachers together with compelling stories, humorous vignettes, man-on-the-street interviews and more, The Art of Marriage will help couples apply what the Bible teaches about marriage in a powerful way. It's practical, funny, and straight to the heart.
